If Lender receives a refund in respect of any Indemnified Taxes or Other Taxes paid by any of the Borrowers pursuant to the DIP Loan Documents, it shall within 30 days from the date of such receipt pay over such refund to the relevant Borrower (but only to the extent of Indemnified Taxes or Other Taxes paid pursuant to the DIP Loan Documents, including indemnity payments made or Additional Amounts paid, by such Borrower under this Section 2.8 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out of pocket expenses of Lender and without interest (other than interest paid by the relevant Governmental Authority with respect to such refund).

For any period with respect to which Lender has failed to provide any such certificate, form or other document requested by any of the Borrowers, Lender shall not be entitled to any payment under this Section 2.8 in respect of any Indemnified Taxes or Other Taxes that would not have been imposed but for such failure.

2.17 **General Provisions Relating to Interest.** (a) It is the intention of the parties hereto to comply strictly with all usury laws, if any, applicable to the transactions which are the subject of this Agreement. In this connection, there shall never be collected, charged, or received on the sums advanced hereunder interest in excess of that which would accrue at the Highest Lawful Rate.

(b) Notwithstanding anything herein to the contrary, during any Limitation Period, the interest rate to be charged on amounts evidenced by the Note held by Lender shall be the Highest Lawful Rate, and the obligation, if any, of the Borrowers for the payment of fees or other charges deemed to be interest under applicable law shall be suspended. During any period or periods of time following a Limitation Period, to the extent permitted by applicable laws of the State of New York or the United States of America, the interest rate to be charged hereunder on amounts evidenced by the Note shall remain at the Highest Lawful Rate until such time as there has been paid to Lender (i) the amount of interest in excess of that accruing at the Highest Lawful Rate that Lender would have received during the Limitation Period had the interest rate remained at the otherwise applicable rate, and (ii) all interest and fees otherwise payable to Lender but for the effect of such Limitation Period.

(c) If, under any circumstances, the aggregate amounts paid on the DIP Loan or under this Agreement or any other DIP Loan Document include amounts which by law are deemed interest and which would exceed the amount permitted if the Highest Lawful Rate were in effect, each of the Borrowers stipulates that such payment and collection will have been and will be deemed to have been, to the extent permitted by applicable laws of the State of New York or the United States of America, the result of mathematical error on the part of the Borrowers and Lender; and Lender shall promptly refund the amount of such excess (to the extent only of such interest payments in excess of that which would have accrued and been payable on the basis of the Highest Lawful Rate) upon discovery of such error by such party or notice thereof from any of the Borrowers. In the event that the maturity of any DIP Obligation is accelerated, by reason of an election by Lender or otherwise, or in the event of any required or permitted prepayment, then the consideration constituting interest under applicable laws may never exceed that payable on the basis of the Highest Lawful Rate, and excess amounts paid which by law are deemed interest, if any, shall be credited by Lender on the principal amount of the DIP Obligations, or if the principal amount of the DIP Obligations shall have been paid in full, refunded to the Borrowers.

(d) All sums paid, or agreed to be paid, to the Lender for the use, forbearance and detention of the proceeds of any advance hereunder shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full term hereof until paid in

full so that the actual rate of interest is uniform but does not exceed the Highest Lawful Rate throughout the full term hereof.

2.21 Letters in Lieu of Transfer Orders or Division Orders. Lender agrees not to send any of the letters in lieu of transfer or division orders provided pursuant to the provisions of Article III or Section 5.4 to the addressees thereof unless an Event of Default has occurred and is continuing, at which time Lender may, at its option and in addition to the exercise of any of its other rights and remedies, send any or all of such letters.

2.22 Power of Attorney. Each of the Borrowers hereby designates Lender as its agent and attorney-in-fact, to act in its name, place and stead solely for the purpose of completing and, upon the occurrence and during the continuance of an Event of Default, delivering any and all of the letters in lieu of transfer or division orders delivered by such Borrower pursuant to the provisions of Article III or Section 5.4, including completing any blanks contained in such letters and attaching exhibits thereto describing the relevant Collateral. Each of the Borrowers hereby ratifies and confirms all that the Lender shall lawfully do or cause to be done by virtue of this power of attorney and the rights granted with respect to such power of attorney. The power of attorney under this Section 2.22 is expressly limited to the rights and powers set forth herein and no additional rights or powers are herein created or implied. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and shall not be responsible to any of the Borrowers or any other Person for any act or failure to act with respect to such powers, except for gross negligence or willful misconduct.

2.23 Security Interest in Accounts; Right of Offset. As security for the payment and performance of the DIP Obligations, each of the Borrowers hereby transfers, assigns and pledges to Lender and grants to Lender a security interest in all of its funds now or hereafter or from time to time on deposit with Lender, with such interest of Lender to be retransferred, reassigned and/or released at the expense of the Borrowers upon payment in full and complete performance of all DIP Obligations. All remedies as secured party or assignee of such funds shall be exercisable upon the occurrence and during the continuance of any Event of Default, regardless of whether the exercise of any such remedy would result in any penalty or loss of interest or profit with respect to any withdrawal of funds deposited in a time deposit account prior to the maturity thereof. Furthermore, each of the Borrowers hereby grants to Lender the right, exercisable at such time as any DIP Obligation shall mature, whether by acceleration of maturity or otherwise, of offset or banker's lien against all of its funds now or hereafter or from time to

Any party may, by proper written notice hereunder to the others, change the individuals or addresses to which such notices to it shall thereafter be sent.

10.5 Parties in Interest. Subject to the restrictions on changes in structure set forth in Section 6.10 and other applicable restrictions contained herein, all covenants and agreements herein contained by or on behalf of either of the Borrowers, any of the Guarantors, or Lender shall be binding upon and inure to the benefit of the relevant Borrower, the relevant Guarantor, or Lender, as the case may be, and their respective successors and permitted assigns.

10.6 Renewals; Extensions. All provisions of this Agreement relating to the Note shall apply with equal force and effect to each promissory note hereafter executed which in whole or in part represents a renewal or extension of any part of the Indebtedness of the Borrowers under this Agreement, the Note or any other DIP Loan Document.

10.7 Rights of Third Parties. All provisions herein are imposed solely and exclusively for the benefit of the Lender, the Borrowers and the Guarantors. No other Person shall have any right, benefit, priority or interest hereunder or as a result hereof or have standing to require satisfaction of provisions hereof in accordance with their terms.

10.8 No Waiver; Rights Cumulative. No course of dealing on the part of Lender or its officers or employees, nor any failure or delay by Lender with respect to exercising any of its rights under any DIP Loan Document shall operate as a waiver thereof. The rights of Lender under the DIP Loan Documents shall be cumulative and the exercise or partial exercise of any such right shall not preclude the exercise of any other right. The making of any DIP Loan shall not constitute a waiver of any of the covenants, warranties or conditions of any of the Borrowers or any of the Guarantors contained herein. In the event any of the Borrowers is unable to satisfy any such covenant, warranty or condition, the making of any DIP Loan shall not have the effect of precluding Lender from thereafter declaring such inability to be an Event of Default as hereinabove provided.

10.9 Survival Upon Unenforceability. In the event any one or more of the provisions contained in any of the DIP Loan Documents or in any other instrument referred to herein or executed in connection with the DIP Obligations shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of any DIP Loan Document or of any other instrument referred to herein or executed in connection with such DIP Obligations.

10.10 Amendments; Waivers. Neither this Agreement nor any provision hereof may be amended, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the amendment, waiver, discharge or termination is sought. Subject to the preceding sentence, any provision of this Agreement or any other DIP Loan Document may be amended, modified or waived by the Borrowers, the Guarantors and Lender; provided that, notwithstanding any provision of this Agreement to the contrary, (a) no amendment, modification or waiver which extends the final maturity of the DIP Loan, forgives the principal amount of any Indebtedness of the Borrowers outstanding under this Agreement or interest thereon or fees owing under this Agreement, releases any Guarantor of such Indebtedness, releases all or substantially all of the Collateral, reduces the interest rate applicable to the DIP Loan or the fees payable to Lender, affects Section 2.1, Section 2.2, Section 9.2(c) or this Section 10.10 or postpones the date of payment of any amount due as a result of any fee payable hereunder shall be effective without the consent of Lender effected thereby; (b) no amendment, modification or waiver which increases the DIP Loan Balance shall be effective without the consent of Lender; and (c) no amendment, modification or waiver which modifies the rights, duties or obligations of Lender shall be effective without the consent of Lender.

10.11 Controlling Agreement. In the event of a conflict between the provisions of this Agreement and those of any other DIP Loan Document, the provisions of this Agreement shall control.

10.12 Disposition of Collateral. Notwithstanding any term or provision, express or implied, in any of the DIP Security Documents, but subject to applicable provisions of this Agreement, the realization, liquidation, foreclosure or any other disposition on or of any or all of the Collateral shall be in the order and manner and determined in the sole discretion of Lender; provided, however, that in no event shall Lender violate applicable law or exercise rights and remedies other than those provided in such DIP Security Documents or otherwise existing at law or in equity.

10.13 Governing Law. **THIS AGREEMENT SHALL BE DEEMED TO BE CONTRACTS MADE UNDER AND SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO PRINCIPLES THEREOF RELATING TO CONFLICTS OF LAW.**

10.14 Waiver of Right to Jury Trial. **EACH OF THE BORROWERS, THE GUARANTORS AND LENDER HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING, COUNTERCLAIM OR OTHER LITIGATION THAT RELATES TO OR ARISES OUT OF THIS AGREEMENT OR ANY OTHER DIP LOAN DOCUMENT OR THE ACTS OR OMISSIONS OF LENDER IN THE ENFORCEMENT OF ANY OF THE TERMS OR PROVISIONS OF THIS AGREEMENT OR ANY OTHER DIP LOAN DOCUMENT OR OTHERWISE WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION 10.14 ARE A MATERIAL INDUCEMENT FOR LENDER TO ENTER INTO THIS AGREEMENT.**

10.15 Waiver of Class Action. **EACH OF THE BORROWERS, THE GUARANTORS AND LENDER WAIVES THE RIGHT TO LITIGATE ANY CLAIM, DISPUTE OR CONTROVERSY WITH RESPECT TO THIS AGREEMENT OR ANY OTHER DIP LOAN DOCUMENT AS A CLASS ACTION,**

EITHER AS A MEMBER OF A CLASS OR AS A REPRESENTATIVE, OR TO ACT AS A PRIVATE ATTORNEY GENERAL.

10.16 Jurisdiction and Venue. All actions or proceedings with respect to, arising directly or indirectly in connection with, out of, related to or from this Agreement or any other DIP Loan Document shall be litigated in the Bankruptcy Court or U.S. District Court where the Bankruptcy Court is located. In such regard, each of the Borrowers and the Guarantors hereby submit to the jurisdiction of the Bankruptcy Court, and hereby waive any rights it may have to transfer or change the jurisdiction or venue of any litigation brought against it by Lender in accordance with this Section 10.16.

10.17 Integration. This Agreement and the other DIP Loan Documents constitute the entire agreement among the parties hereto and thereto with respect to the subject hereof and thereof and shall supersede any prior agreement among the parties hereto and thereto, whether written or oral, relating to the subject hereof and thereof, including any term sheet provided to the Borrowers by Lender. Furthermore, in this regard, this Agreement and the other written DIP Loan Documents represent, collectively, the final agreement among the parties thereto and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of such parties. There are no unwritten oral agreements among such parties.

10.18 Waiver of Punitive and Consequential Damages. Each of the Borrowers, the Guarantors and Lender hereby knowingly, voluntarily, intentionally and irrevocably (a) waives, to the maximum extent it may lawfully and effectively do so, any right it may have to claim or recover, in any dispute based hereon, or directly or indirectly at any time arising out of, under or in connection with this Agreement, the other the DIP Loan Documents, the Chapter 11 Cases or the Final DIP Order or any transaction contemplated hereby or thereby or associated therewith, before or after the Maturity Date, any special, exemplary, punitive or consequential damages, or damages other than, or in addition to, actual damages and (b) acknowledges that it has been induced to enter into this Agreement, the other DIP Loan Documents and the transactions contemplated hereby and thereby by, among other things, the mutual waivers and certifications contained in this Section 10.18.

10.19 Counterparts. For the convenience of the parties, this Agreement may be executed in multiple counterparts and by different parties hereto in separate counterparts, each of which for all purposes shall be deemed to be an original, and all such counterparts shall together constitute but one and the same Agreement and shall be enforceable as of the date hereof upon the execution of one or more counterparts hereof by each of the parties hereto. In this regard, each of the parties hereto acknowledges that a counterpart of this Agreement containing a set of counterpart execution pages reflecting the execution of each party hereto shall be sufficient to reflect the execution of this Agreement by each party hereto and shall constitute one instrument.

10.20 USA Patriot Act Notice. Lender hereby notifies the Borrowers and the Guarantors that, pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Guarantors, which information includes the name and address of each of the Borrowers and the Guarantors and other information that will allow Lender to identify each of the Borrowers and the Guarantors in accordance with the USA Patriot Act.

10.21 Tax Shelter Regulations. None of the Borrowers intends to treat the DIP Loan and related transactions hereunder and under the other DIP Loan Documents as a “reportable transaction” (within the meanings under current Treasury Regulation Section 1.6011-4 and Proposed Treasury Regulation Section 1.6011-4, promulgated on November 1, 2006). In the event any of the Borrowers determines to take any action inconsistent with the foregoing statement, it will promptly notify Lender thereof. If any of the Borrowers so notifies Lender, each of the Borrowers acknowledges that Lender may treat its DIP Loan and related transactions hereunder and under the other DIP Loan Documents as part of a transaction that is subject to current Treasury Regulation Section 301.6112-1 or Proposed Treasury Regulation Section 301.6112-1, promulgated on November 1, 2006, and, in such case, Lender will maintain the lists and other records required, if any, by such Treasury Regulations.

10.22 Commercially Reasonable Efforts. Notwithstanding anything to the contrary contained in this Agreement, no Borrower shall be in breach, or deemed to be in breach, of any covenant, agreement or obligation in this Agreement relating to the operation of or access to any property that is not operated by the Borrowers or any of their Affiliates so long as the Borrowers have used commercially reasonable efforts under the circumstances to cause the operator thereof to perform or not to perform, as applicable, such covenant, agreement or obligation.

RIGHTS, REMEDIES AND WARRANTIES

5.1 With Respect to Collateral. If an Event of Default under the Credit Agreement has occurred and is continuing, on the fifth (5th) Business Day following the date notice of an intent to exercise the rights and remedies set forth in this Article V has been provided to the Debtor by the Secured Party, Secured Party is hereby fully authorized and empowered (without the necessity of any further consent or authorization from Debtor) and the right is expressly granted to Secured Party, and Debtor hereby constitutes, appoints and makes Secured Party, as its true and lawful attorney-in-fact and agent for it and in its name, place and stead, with full power of substitution, in Secured Party's name or Debtor's name or otherwise, for the sole use and benefit of Secured Party, but at Debtor's cost and expense, to exercise, without notice, all or any of the following powers at any time with respect to all or any of the Collateral:

Exhibit F-5

(a) to notify account debtors or the obligors on the Accounts, the General Intangibles and the Related Rights to make and deliver payment to Secured Party;

(b) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due by virtue thereof and otherwise deal with proceeds;

(c) to receive, take, endorse, assign and deliver any and all checks, notes, drafts, Documents and other negotiable and non-negotiable Instruments and Chattel Paper taken or received by Secured Party in connection therewith;

(d) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(e) to sell, transfer, assign or otherwise deal in or with the same or the Proceeds or avails thereof or the relative goods, as fully and effectively as if Secured Party were the absolute owner thereof; and

(f) to extend the time of payment of any or all thereof and to grant waivers and make any allowance or other adjustment with reference thereto;

provided, however, Secured Party shall be under no obligation or duty to exercise any of the powers hereby conferred upon it and shall be without liability for any act or failure to act in connection with the collection of, or the preservation of any rights under, any Collateral.

5.2 Default Remedies. Upon the occurrence and during the continuance of any Event of Default, on the fifth (5th) Business Day following the date notice of an intent to exercise the rights and remedies set forth in this Article V has been provided to the Debtor by the Secured Party, Secured Party may then, or at any time thereafter and from time to time, apply, set-off, collect, sell in one or more sales, lease, or otherwise dispose of, any or all of the Collateral, in its then condition or following any commercially reasonable preparation or processing, in such order as Secured Party may elect, and any such sale may be made either at public or private sale at its place of business or elsewhere, or at any brokers' board or securities exchange, either for Cash or upon credit or for future delivery, at such price as Secured Party may deem fair, and Secured Party may be the purchaser of any or all Collateral so sold and may hold the same thereafter in its own right free from any claim of Debtor or right of redemption. No such purchase or holding by Secured Party shall be deemed a retention by Secured Party in satisfaction of the Secured Obligations. All demands, notices and advertisements and the presentment of Property at sale are hereby waived. If, notwithstanding the foregoing provisions, any applicable provision of the Code or other law requires Secured Party to give reasonable notice of any such sale or disposition or other action, Debtor hereby agrees that ten (10) days' prior written notice shall constitute reasonable notice. Secured Party may require Debtor to assemble the Collateral and make it available to Secured Party at a place designated by Secured Party which is reasonably convenient to Secured Party and Debtor. Any sale hereunder may be conducted by an auctioneer or any officer or agent of Secured Party.

Exhibit F-6

5.3 Right of Set-Off. Upon the occurrence and during the continuance of any Event of Default, on the fifth (5th) Business Day following the date notice of an intent to exercise the rights and remedies set forth in this Article V has been provided to the Debtor by the Secured Party, Secured Party is hereby authorized to then, or at any time thereafter and from time to time, without notice to Debtor (any such notice being expressly waived by Debtor), apply and set-off against the Secured Obligations (i) any and all deposits (general or special, time or demand, provisional or final) of Debtor at any time held by Secured Party; (ii) any and all other claims of Debtor against Secured Party, now or hereafter existing, (iii) any and all other indebtedness at any time owing by Secured Party to or for the account of Debtor; (iv) any and all money, Instruments, securities, Documents, Chattel Paper, credits, claims, demands and other Property, rights or interests of Debtor which at any time shall come into the possession or custody or under the control of Secured Party, for any purpose; and (v) the Proceeds of any of the foregoing Property, in accordance with the Credit Agreement, as if the same were included in the Collateral, and Debtor hereby grants to Secured Party a security interest in, a general lien upon and a right of set-off against the foregoing described Property as security for the Secured Obligations. Secured Party shall have the right to so set-off and apply such Property against the Secured Obligations regardless of whether or not Secured Party shall have made any demand for payment of any of the Secured Obligations or shall have given any other notice. Secured Party agrees to promptly notify Debtor after any such set-off and application; provided, however, the failure of Secured Party to give any such notice shall not affect the validity of such set-off and application. The rights of Secured Party under this Section 5.3 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which Secured Party may have.

5.4 Proceeds. Following the occurrence and during the continuance of any Event of Default, the proceeds of any sale or other disposition of the Collateral and all sums received or collected by Secured Party from or on account of the Collateral shall be applied by Secured Party in the manner set forth in the Credit Agreement.

5.5 Secured Party's Lack of Duties. The powers conferred upon Secured Party by this Security Agreement are solely to protect its interest in the Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Secured Party shall be under no duty whatsoever to make or give any presentment, demand for performance, notice of nonperformance, protest, notice of protest, notice of dishonor or other notice or demand in connection with any Collateral or the Secured Obligations, or to take any steps necessary to preserve any rights against prior parties. Secured Party shall not be liable for failure to collect or realize upon any or all of the Secured Obligations or Collateral, or for any delay in so doing, nor shall Secured Party be under any duty to take any action whatsoever with regard thereto. Secured Party shall use reasonable care in the custody and preservation of any Collateral in its possession, but need not take any steps to keep the Collateral identifiable. Secured Party shall have no duty to comply with any recording, filing or other legal requirements necessary to establish or maintain the validity, priority or enforceability of, or Secured Party's rights in or to, any of the Collateral.

5.6 Secured Party's Actions. To the extent permitted by applicable law, Debtor waives any right to require Secured Party to marshal or proceed against any Person, exhaust any Collateral or pursue any other remedy in Secured Party's power, and Debtor waives any and all

Exhibit F-7

notice of acceptance of this Security Agreement or of creation, modification, rearrangement, renewal or extension for any period of any of the Secured Obligations from time to time. All dealings between Debtor and Secured Party, whether or not resulting in the creation of the Secured Obligations, shall conclusively be presumed to have been had or consummated in reliance upon this Security Agreement. Until all the Secured Obligations shall have been paid in full, Debtor shall not have any right to subrogation, and Debtor waives any benefit of and any right to participate in any Collateral or security whatsoever now or hereafter held by Secured Party. Debtor authorizes Secured Party, without notice or demand and without any reservation of rights against Debtor and without affecting Debtor's liability hereunder or on the Secured Obligations, from time to time to (a) take and hold any other Property as collateral, other than the Collateral, as security for any or all of the Secured Obligations and exchange, enforce, waive and release any or all of the Collateral or such other Property to the Secured Obligations; and (b) apply the Collateral or such other Property and direct the order or manner of sale thereof as Secured Party in its discretion may determine, subject, however, to the provisions of the Credit Agreement.

5.7 Transfer of Secured Obligations and Collateral. Any of the Secured Obligations may be transferred, in whole or in part, in accordance with the provisions of the DIP Loan Documents, and, upon any such transfer, Secured Party may transfer any or all of the Collateral and shall be fully discharged thereafter from all liability with respect to the Collateral so transferred, and the transferee shall be vested with all rights, powers and remedies of Secured Party hereunder with respect to Collateral so transferred; but with respect to any Collateral not so transferred, Secured Party shall retain all rights, powers and remedies hereby given. Secured Party may at any time deliver any or all of the Collateral to Debtor, whose receipt shall be a complete and full acquittance for the Collateral so delivered, and Secured Party shall thereafter be discharged from any liability therefor.

5.8 Cumulative Security. The execution and delivery of this Security Agreement in no manner shall impair or affect any other security (by endorsement or otherwise) for the Secured Obligations. No security taken hereafter as security for the Secured Obligations shall impair in any manner or affect this Security Agreement. All such present and future additional security is to be considered as cumulative security.

5.9 Continuing Agreement. This is a continuing Security Agreement and the grant of a security interest hereunder shall remain in full force and effect and all the rights, powers and remedies of Secured Party hereunder shall continue to exist until the Secured Obligations are paid in full, Debtor is entitled to obtain the release hereof pursuant to the Credit Agreement and Secured Party, upon request of Debtor, has authorized a written termination statement, reassigned to Debtor, without recourse, the Collateral and all rights conveyed hereby and returned possession of the Collateral in its possession (if any) to Debtor.

5.10 Cumulative Rights. The rights, powers and remedies of Secured Party hereunder shall be in addition to all rights, powers and remedies given by statute or rule of law and are cumulative. The exercise of any one or more of the rights, powers and remedies provided herein shall not be construed as a waiver of any other rights, powers and remedies of Secured Party. Furthermore, regardless of whether or not the Code is in effect in the jurisdiction where such

Exhibit F-8

rights, powers and remedies are asserted, Secured Party shall have the rights, powers and remedies of a secured party under the Code.

5.11 Exercise of Rights. Time shall be of the essence for the performance by Debtor of any act under this Security Agreement or in respect of the Secured Obligations, but neither Secured Party's acceptance of partial or delinquent payments nor any forbearance, failure or delay by Secured Party in exercising any right, power or remedy shall be deemed a waiver of any obligation of Debtor or of any right, power or remedy of Secured Party or preclude any other or further exercise thereof; and no single or partial exercise of any right, power or remedy shall preclude any other or further exercise thereof, or the exercise of any other right, power or remedy.

5.12 Remedy and Waiver. Secured Party may remedy any Event of Default and may waive any Event of Default without waiving the Event of Default remedied or waiving any prior or subsequent Event of Default.

5.13 Non-Judicial Remedies. Subject to the terms of the Final DIP Order, Secured Party may enforce its rights hereunder without prior judicial process or judicial hearing, and Debtor expressly waives, renounces and knowingly relinquishes any and all legal rights which might otherwise require Secured Party to enforce its rights by judicial process. In so providing for non-judicial remedies, Debtor recognizes and concedes that such remedies are consistent with the usage of the trade, are responsive to commercial necessity and are the result of bargain at arm's length. Nothing herein is intended to prevent Secured Party from resorting to judicial process at its option.

ARTICLE VI

MISCELLANEOUS

6.1 Preservation of Liability. Neither this Security Agreement nor the exercise by Secured Party of (or the failure to so exercise) any right, power or remedy conferred herein or by law shall be construed as relieving any Person liable on the Secured Obligations from liability on the Secured Obligations and for any deficiency thereon.

6.2 Notices. Any notice or demand under this Security Agreement or in connection with this Security Agreement may be given as provided in the Credit Agreement, but actual notice, however given or received, shall always be effective.

6.3 Governing Law. This Security Agreement and the security interest granted hereby shall be governed by the laws of the State of New York, without giving effect to principles thereof relating to conflicts of law.

6.4 Amendment and Waiver. This Security Agreement may not be amended (nor may any of its terms be waived) except in the manner provided in the Credit Agreement.

Exhibit F-9

6.5 Invalidity. In case any provision of this Security Agreement is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

6.6 Survival of Agreements. All covenants and agreements of Debtor herein not fully performed before the effective date of this Security Agreement shall survive such date.

6.7 Successors and Assigns. All representations and warranties of Debtor herein, and the covenants and agreements herein contained by or on behalf of Debtor, shall bind Debtor and Debtor's legal representatives, successors and assigns and shall inure to the benefit of Secured Party, its successors and assigns.

6.8 Titles of Articles, Sections and Subsections. All titles or headings to articles, sections, subsections or other divisions of this Security Agreement are only for the convenience of the parties and shall not be construed to have any effect or meaning with respect to the other content of such articles, sections, subsections or other divisions, such other content being controlling as to the agreement between the parties hereto.

6.9 Counterparts. This Security Agreement may be executed by one or more of the parties hereto in any number of separate counterparts, and all of such counterparts taken together shall be deemed to constitute one and the same instrument and shall be enforceable as of the date hereof upon the execution of one or more counterparts hereof by each of the parties hereto. In this regard, each of the parties hereto acknowledges that a counterpart of this Security Agreement containing a set of counterpart execution pages reflecting the execution of each party hereto shall be sufficient to reflect the execution of this Security Agreement by each party hereto and shall constitute one instrument.

6.10 Conflict with Credit Agreement. In the event of a conflict between any provision of this Security Agreement and a provision that is in the Credit Agreement, the provision of the Credit Agreement shall control; provided, however, the inclusion in this Security Agreement of a provision with respect to which there is no corresponding provision in the Credit Agreement shall not constitute a conflict with any provision of the Credit Agreement.

6.11 Commercially Reasonable Efforts. Notwithstanding anything to the contrary contained in this Security Agreement, the Debtor shall not be in breach, or deemed to be in breach, of any of its covenants, agreements or obligations under this Security Agreement that is applicable to any property or asset that is not operated by the Debtor or any of its affiliates so long as the Debtor has used commercially reasonable efforts under the circumstances to cause the operator thereof to perform or not to perform, as applicable, such covenant, agreement or obligation.

TO HAVE AND TO HOLD all and singular the Mortgaged Property and all other Property which, by the terms hereof, has or may hereafter become subject to the Liens of this Deed of Trust, together with all rights, hereditaments, and appurtenances in anywise belonging thereto, to the Trustee or Mortgagee, as the case may be, or the successors or assigns of either of them forever, with the priority relative to any other Lien set forth in the Credit Agreement (including Section 4.4) and the Final DIP Order.

ARTICLE 2 INDEBTEDNESS SECURED

This conveyance is made, IN TRUST, HOWEVER, to secure and enforce the payment of the following indebtedness, obligations, and liabilities, together with any renewals, extensions, or modifications thereof:

2.1. Specific Obligations. The DIP Obligations, including, without limitation, the indebtedness of Mortgagor in the amount of [FIVE MILLION AND NO/100 DOLLARS (\$5,000,000.00)] evidenced by the Credit Agreement, bearing interest and payable as therein provided or as provided in the Credit Agreement, with the last of the DIP Obligations under the Credit Agreement and the other DIP Loan Documents to mature on the Maturity Date.

2.2. Indebtedness The word "Indebtedness" wherever used in this Deed of Trust shall refer to all present and future debts, obligations, and liabilities described or referred to in this Article 2, subject, however, to the limitations provided hereinabove in this Article 2.

ARTICLE 3 WARRANTIES

3.1. Warranty of Title. The representations and warranties set forth in the Credit Agreement concerning priority of Liens are incorporated herein. Mortgagor hereby binds itself, its legal representatives, successors, and assigns, subject to the Pre-Petition Liens and Lender Pre-Petition Loans Adequate Protection (which are subordinate to the Liens created pursuant to the DIP Loan Documents to the extent provided in Section 4.4 of the Credit Agreement), to warrant title to the Mortgaged Property and the priority of the liens created in the DIP Loan Documents, and forever

Exhibit G-4

defend all and singular the Mortgaged Property to the Trustee and the successors and assigns of the Trustee forever against every Person whomsoever lawfully claiming or to claim the same or any part thereof. Notwithstanding that this Deed of Trust covers all of the right, title and interest, whether now owned and existing or hereafter acquired or arising, of Mortgagor in and to the Mortgaged Property, Mortgagor, for itself, its legal representatives, successors and assigns, further covenants, represents and warrants that Mortgagor has good and defensible title to the Mortgaged Property and that the interests of Mortgagor in and to the Leases and/or Lands described in Exhibit A are not greater than the working interest nor less than the net revenue interest, overriding royalty interest, net profit interest, production payment interest, royalty interest or other interest payable out of or measured by production set forth in connection with each oil or gas well described in Exhibit A. In the event Mortgagor owns any other or greater interest, such additional interest is nonetheless included in, covered by and subject to the Liens created by this Deed of Trust.

3.2. Additional Warranties. Mortgagor, for itself, its legal representatives, successors, and assigns, covenants, represents, and warrants that:

(a) Leases in Effect. All of the Leases specifically described in Exhibit A are in full force and effect. All covenants, express or implied, in respect of the Leases specifically described in Exhibit A, or of any assignment of any of such Leases, which may affect the validity of any of such Leases, have been performed in all material respects insofar as such Leases pertain to the Lands.

(b) Interests Free of Liens. The representations and warranties set forth in the Credit Agreement concerning priority of Liens are incorporated herein. All gross production taxes and all taxes as to which non-payment could result in a Lien, against any of the Mortgaged Property have been paid unless any such taxes are being diligently contested in good faith and adequate reserves have been set aside in accordance with GAAP.

ARTICLE 4 COVENANTS OF MORTGAGOR

In consideration of the Indebtedness, Mortgagor, for itself, its legal representatives, successors, and assigns, covenants and agrees as follows:

4.1. Maintenance of Leases. Mortgagor will, or, to the extent the right or obligation to do so rests with another Person, exercise its reasonable commercial efforts to cause such Person to, in accordance with Mortgagor's normal course of business and to the extent that a reasonably prudent operator would do so, keep and continue all the Leases, estates, and interests herein described and all contracts and agreements relating thereto in full force and effect in accordance with the terms thereof and will not permit the same to lapse or otherwise become impaired for failure to comply with the obligations thereof, whether express or implied. In this connection, Mortgagor shall not release any of the Leases without the prior written consent of Mortgagee unless any Lease has discontinued to produce oil or gas in paying quantities and any such release is pursuant to prudent operator standards.

Exhibit G-5

4.2. Maintenance of Property. Mortgagor will, or, to the extent the right or obligation to do so rests with another Person, exercise its reasonable commercial efforts to cause such Person to, keep and maintain all improvements, Personal Property, and Equipment now or hereafter situated on the Lands and constituting a portion of the Mortgaged Property and used or obtained in connection therewith in good repair and condition, ordinary wear and tear excepted, and will not tear down or remove the same or permit the same to be torn down or removed without the prior consent of Mortgagee, except in the usual course of operations as may be required for replacement when otherwise in compliance with the provisions of this Deed of Trust and the other DIP Loan Documents.

4.3. Pooling or Unitization. Mortgagor may, without the prior written consent of Mortgagee and so long as there exists no Event of Default under this Deed of Trust (as provided in Section 5.2 hereof), pool or unitize all or any part of the Mortgaged Property where the pooling or unitization would be, in the reasonable judgment of Mortgagor, advisable in accordance with prudent operator standards. Immediately after the formation of any pool or unit in accordance herewith, Mortgagor will furnish to Mortgagee a conformed copy of the pooling agreement, declaration of pooling, or other instrument creating the pool or unit. The interest of Mortgagor included in any pool or unit attributable to the Mortgaged Property or any part thereof shall become a part of the Mortgaged Property and shall be subject to the Liens hereof in the same manner and with the same effect as though the pool or unit and the interest of Mortgagor therein were specifically described in Exhibit A.

4.4. Operation of Mortgaged Property. Mortgagor will operate or, to the extent that the right of operation is vested in others, will exercise commercially reasonable efforts to cause the operator to operate the Mortgaged Property and all Wells now or hereafter located thereon continuously and in a prudent and workmanlike manner in accordance with the best usage of the field and in accordance with industry standards, provided, that such operation shall in all events be in accordance with all applicable Requirements of Law. Mortgagor will comply, or, to the extent the right or obligation to do so rests with another Person, exercise its reasonable commercial efforts to cause such Person to comply, with all terms and conditions of the Leases and each assignment or contract obligating Mortgagor in any way with respect to the Mortgaged Property; but nothing herein shall be construed to empower Mortgagor to bind the Trustee or Mortgagee to any contract or obligation or render the Trustee or Mortgagee in any way responsible or liable for bills or obligations incurred by Mortgagor.

4.5. Payment of Operating Expenses. Mortgagor agrees to, or, to the extent the right or obligation to do so rests with another Person, exercise its reasonable commercial efforts to cause such Person to, promptly pay all bills for labor and materials incurred in the operation of the Mortgaged Property and will promptly pay its share of all costs and expenses incurred under any joint operating agreement affecting the Mortgaged Property or any portion thereof except to the extent any such bills, costs or expenses are being diligently contested and adequate reserves have been set aside in accordance with GAAP; will furnish Mortgagee, as and when requested, full information as to the status of any joint account maintained with others under any such operating agreement; will not take any action to incur any liability or Lien thereunder; and will not enter into any material new operating agreement or any material amendment of any existing operating agreement (including, without limitation, a change of operator) affecting the Mortgaged Property

Exhibit G-6

without the prior written consent of Mortgagee. Furthermore, following the occurrence and during the continuance of an Event of Default, Mortgagor will not consent or agree to participate in any proposed operation under any existing operating agreement affecting the Mortgaged Property unless Mortgagor obtains the prior written consent of Mortgagee and, if requested by Mortgagee, deposits with the operator or Mortgagee, where Mortgagor is a non-operator, or with Mortgagee, where Mortgagor is an operator, Mortgagor's share of the estimated cost of the proposed operation prior to electing to participate in the operation. To the extent that Mortgagor is unable to consent to any proposed operation with respect to any of the Mortgaged Property, prior to electing not to participate in the proposed operation, Mortgagor will use its commercially reasonable efforts, to the extent practicable and to the extent allowed to do so under the relevant operating agreement or other applicable contract, to farmout to others acceptable to Mortgagee, on the commercially reasonable terms obtainable and acceptable to Mortgagee, the interest or relevant portion of the interest of Mortgagor in the proposed operation.

To the extent Mortgagor has the ability to permit such Site Assessments, Mortgagor shall permit the Site Reviewers to perform Site Assessments at any time or times, upon reasonable notice, and under reasonable conditions established by Mortgagor (or the relevant operator) which do not impede the performance of the Site Assessments. To the extent Mortgagor has the ability to permit such Site Assessments, the Site Reviewers are hereby authorized to enter upon all or any portion of the Mortgaged Property

Exhibit G-8

for such purposes. To the extent Mortgagor has the ability to permit such Site Assessments, the Site Reviewers are further authorized to perform both above and below the ground testing for environmental damage or the presence of Hazardous Substances on the Mortgaged Property and such other tests on the Mortgaged Property as may be necessary to conduct the Site Assessments in the reasonable opinion of the Site Reviewers. 4.11. Performance of Gas Contracts. The Mortgagor will perform and observe, or, to the extent the right or obligation to do so rests with another Person, exercise its reasonable commercial efforts to cause such Person to perform and observe, in all material respects all of its obligations under each contract relating to the sale of gas produced from or attributable to the Mortgaged Property and will not, except in good faith and as the result of arm's length negotiations, change, modify, amend or waive any of the terms or provisions of any such contract or take any other action which would release any other party from its obligations or liabilities under any such contract.

4.12. Condemnation or Other Taking. Should the Mortgaged Property or any part thereof become the subject of any public condemnation proceeding or similar action, Mortgagee shall be entitled at its option to appear in and prosecute, in its own name, any action or proceeding, or to make any compromise or settlement in connection with such condemnation proceeding or similar action. All compensation, awards, damages, proceeds and any other payment or relief in any condemnation proceeding or similar action are hereby assigned to Mortgagee, and, subject to any provision of the Credit Agreement to the contrary, Mortgagee may, after deducting therefrom all its expenses, including, without limitation, attorneys' fees, release any monies so received by it to Mortgagor or apply the same on any Indebtedness secured hereby in such order and such manner as Mortgagee, in its discretion, may elect.

4.13. Covenants Running with the Land. All covenants and agreements herein contained shall constitute covenants running with the Land.

ARTICLE 5 DEFEASANCE, FORECLOSURE AND OTHER REMEDIES

5.1. Defeasance. Should the Indebtedness be paid, as the same becomes due and payable, and should Mortgagor duly observe and perform all of the covenants, conditions, and agreements herein and in all other DIP Loan Documents provided to be observed and performed by Mortgagor, then the conveyance of the Mortgaged Property shall become of no further force and effect, and, at the request and expense of Mortgagor, the Liens granted hereunder shall be released, without recourse or warranty; otherwise, it shall remain in full force and effect.

Exhibit G-9

5.2. Events of Default. The occurrence of any Event of Default under the Credit Agreement or the sale of any Mortgaged Property (other than the sale of hydrocarbons permitted by the Credit Agreement and other sales permitted by the Credit Agreement or any other DIP Loan Document) without the prior written consent of Mortgagee shall constitute an Event of Default under this Deed of Trust.

5.3. Acceleration and Exercise of Power of Sale. (a) Upon the occurrence and during the continuance of an Event of Default, Mortgagee may declare the aggregate principal amount of all Indebtedness then outstanding and all interest accrued thereon immediately due and payable, whereupon the same shall become immediately due and payable without presentment, demand, protest, notice of protest, default or dishonor, notice of intent to accelerate maturity, notice of acceleration of maturity, or other notice of any kind, all of which are hereby expressly waived by Mortgagor to the full extent permitted by applicable law.

(b) Upon the occurrence and during the continuance of any Event of Default while the Indebtedness or any part thereof remains unpaid, it shall be the duty of the Trustee, on request of Mortgagee (which request is hereby presumed), to enforce this Trust. In such regard, it shall be the duty of the Trustee, after advertising the time and place of the sale for at least 21 days prior to the day of sale, by posting or causing to be posted a written or printed notice thereof at the courthouse door and by filing a copy of such notice in the office of the county clerk of each county in which the Mortgaged Property or any part thereof may be situated, and serving written notice of the proposed sale on each debtor obligated to pay the Indebtedness according to the records of Mortgagee, by postage prepaid, certified United States mail, at the most recent address for such debtor as shown by the records of Mortgagee, at least 21 days prior to the day of sale, to sell the Mortgaged Property, either as a whole or in parcels, as the Trustee may deem proper, at public venue at the courthouse of the county in which the Mortgaged Property or any part thereof may be situated (and being the county designated in the notice of sale) on the first Tuesday of any month between the hours of 10:00 a.m. and 4:00 p.m., to the highest bidder for Cash, and after such sale to execute and deliver to the purchaser or purchasers good and sufficient deeds and assignments, conveying such Property so sold to the purchaser or purchasers with general warranty of title made on behalf of Mortgagor. The Trustee, or her successor or substitute, is hereby authorized and empowered to appoint any one or more Persons as his attorneys-in-fact or agents to act as the Trustee under him and in his name, place and stead, such appointment to be evidenced by a written instrument executed by the Trustee, or her successor or substitute, to perform any one or more act or acts necessary or incident to any sale under the power of sale hereunder, including, without limitation, the posting and filing of any notices, the conduct of the sale and the execution and delivery of any instruments conveying the Mortgaged Property as a result of the sale, but in the name and on behalf of the Trustee, or her successor or substitute; and all acts done or performed by such attorneys-in-fact or agents shall be valid, lawful and binding as if done or performed by the Trustee, or her successor or substitute. No single sale or series of sales by the Trustee shall extinguish the Liens or exhaust the power of sale hereunder except with respect to the items of Property sold, but such Liens and power shall exist for so long as and may be exercised in any manner by law or as herein provided as often as the circumstances require to give Mortgagee full relief hereunder. The purchaser at any such sale shall not assume, nor shall the heirs, legal representatives, successors or assigns of such purchaser, be deemed to have assumed, by reason of the acquisition of Property or rights

Exhibit G-10

mortgaged hereunder, any liability or obligation of any owner, lessee or operator of the Mortgaged Property, or any part thereof, arising by reason of any occurrence taking place prior to such sale. It shall not be necessary to have present, or to exhibit at any such sale, any of the personal Property subject to the Liens hereof.

5.4. Rights as Secured Party. Upon the occurrence and during the continuance of any Event of Default, Mortgagee shall be entitled to all of the rights, powers, and remedies afforded a secured party by the UCC with respect to the Personal Property, as-extracted collateral and fixtures in which Mortgagee has been granted a security interest hereby, or Mortgagee may proceed in accordance with the provisions hereof as to both the real and Personal Property covered hereby.

5.5. Application of Proceeds of Sale. The Trustee is authorized to receive the proceeds of any sale of any of the Mortgaged Property made pursuant to this Article 5 and apply the same as follows:

FIRST: to the payment of all costs and expenses incident to the enforcement of this Deed of Trust, including, but not limited to, a fee to the Trustee, if required by the Trustee;

SECOND: to any and all Indebtedness then hereby secured, application to be made in such order and in such manner as Mortgagee may, in its reasonable discretion, elect;

THIRD: the balance, if any, to Mortgagor or its successors or assigns;

provided, however, if applicable law requires such proceeds to be paid or applied in a manner other than as set forth above in this Section 5.5, then such proceeds shall be paid or applied in accordance with such applicable law.

5.6. Substitute Trustee. In the event of the death of the Trustee, or her removal from the State of Texas, or her failure, refusal, or inability for any reason to make any such sale or to perform any of the trusts herein declared, or at any time, whether with or without cause, Mortgagee may appoint, in writing, a substitute trustee who shall thereupon succeed to all the estates, rights, powers, and trusts herein granted to and vested in the Trustee. In the same events as first above stated, and in the same manner, successive substitute Trustees may thereafter be appointed.

5.7. Statements by Trustee. It is agreed that in any deed or deeds given by the Trustee any and all statements of fact or other recitals therein made as to the identity of the holder or holders of the Indebtedness, or as to default in the payments thereof or any part thereof, or as to the breach of any covenants herein contained, or as to the request to sell, notice of sale, time, place, terms and manner of sale, and receipt, application, and distribution of the money realized therefrom, or as to the due and proper appointment of a substitute Trustee, and, without being limited by the foregoing, as to any other or additional act or thing having been done by Mortgagee or the Trustee, shall be taken by all courts of law and equity as prima facie evidence

Exhibit G-11

that the statements or recitals state facts and are without further question to be so accepted absent manifest error. Mortgagor does hereby ratify and confirm any and all acts that the Trustee may lawfully do in the premises by virtue of the terms and conditions of this Deed of Trust.

5.8. Suit to Collect and Foreclose. Mortgagee, at its election, or the Trustee, upon written request of Mortgagee, may, in accordance with the terms hereof and the other DIP Loan Documents evidencing the Indebtedness, proceed by suit or suits, at law or in equity, to enforce the payment of the Indebtedness and to foreclose the Liens of this Deed of Trust as against all or any portion of the Mortgaged Property and to have such Property sold under the judgment or decree of a court of competent jurisdiction.

5.9. Mortgagee or Trustee as Purchaser. Subject to applicable law, Mortgagee or the Trustee may be a purchaser of all or any portion of the Mortgaged Property at any sale thereof, whether such sale be under the power of sale hereinabove vested in the Trustee, upon any other foreclosure of the Liens hereof, or otherwise. Mortgagee or the Trustee so purchasing shall, upon any such purchase, acquire title to the Mortgaged Property so purchased, free of the Liens of this Deed of Trust and free of all rights of redemption in Mortgagor.

5.10. Entry and Operation. Upon the occurrence and during the continuance of any Event of Default, then in each and every such case and in addition to the other rights and remedies hereunder, the Trustee or Mortgagee, whether or not the Indebtedness shall have become due and payable, may, but shall not be obligated to, enter into and upon and take possession of all or any portion of the Mortgaged Property and may exclude Mortgagor, its agents and servants wholly therefrom and have, hold, use, operate, manage, and control all or any portion of the Mortgaged Property and produce the oil, gas, and other minerals therefrom and market the same, all at the sole risk and expense of Mortgagor and at the expense of the Mortgaged Property, applying the net proceeds so derived, first, to the cost of maintenance and operation of such Mortgaged Property; second, to the payment of the Indebtedness, application to be made in such order and in such manner as Mortgagee, in its reasonable discretion, may elect; and the balance thereof, if any, shall be paid to Mortgagor. Upon such payment of all such costs and Indebtedness, the Mortgaged Property shall be returned to Mortgagor in its then condition, and neither the Trustee nor Mortgagee shall be liable to Mortgagor for any damage or injury to the Mortgaged Property except such as may be caused through the fraud or willful misconduct of the Trustee or Mortgagee, as the case may be.

5.11. Power of Attorney to Mortgagee. Mortgagor does hereby designate Mortgagee as the agent of Mortgagor to act in the name, place, and stead of Mortgagor in the exercise of each and every remedy set forth herein and in conducting any and all operations and taking any and all action reasonably necessary to do so, recognizing such agency in favor of Mortgagee to be coupled with the interests of Mortgagee under this Deed of Trust and, thus, irrevocable so long as this Deed of Trust is in force and effect. Notwithstanding anything in this Section 5.11 to the contrary, Mortgagee agrees not to exercise such power of attorney until the occurrence and during the continuation of an Event of Default.

5.12. Remedies Cumulative and Non-Exclusive. The rights of entry, sale, or suit, as hereinabove or hereinafter conferred, are cumulative of all other rights and remedies herein or by

Exhibit G-12

law or in equity provided, and shall not be deemed to deprive Mortgagee or the Trustee of any such other legal or equitable rights or remedies, by judicial proceedings or otherwise, appropriate to enforce the conditions, covenants, and terms of this Deed of Trust and the other DIP Loan Documents. The employment of any remedy hereunder or otherwise shall not prevent the concurrent or subsequent employment of any other appropriate remedy or remedies.

ARTICLE 6 ASSIGNMENT OF PRODUCTION

6.1. Assignment. In addition to the conveyance to the Trustee herein made, Mortgagor does hereby transfer, assign, deliver and convey unto Mortgagee, its successors and assigns, all of the oil, gas, and other minerals produced, saved, or sold from the Mortgaged Property and attributable to the interests of Mortgagor therein subsequent to 7:00 a.m. on the effective date of this Deed of Trust, together with the proceeds of any sale thereof. Mortgagor hereby directs any purchaser now or hereafter taking any production from the Mortgaged Property, upon written request of Mortgagee or written direction of Mortgagor, to pay to Mortgagee such proceeds derived from the sale thereof and to continue to make payments directly to Mortgagee until notified in writing by Mortgagee to discontinue the same. The purchaser of any such production shall not be required to see to the application of the proceeds thereof by Mortgagee, and payment made to Mortgagee shall be binding and conclusive as between such purchaser and Mortgagor. Mortgagor further agrees to perform all such acts and to execute all such further assignments, transfer and division orders, and other instruments as may be required or desired by Mortgagee or any other party to have such proceeds and revenues so paid to Mortgagee. Notwithstanding anything to the contrary contained in this Deed of Trust, so long as no Event of Default shall have occurred and be continuing, Mortgagor agrees not to exercise its rights and remedies under this Article 6.

6.2. Postponement of Payment. For its convenience, the Mortgagee has elected not to exercise immediately its right to receive payment to it directly of the proceeds of any sale of the oil, gas and other minerals produced or sold from the Mortgaged Property and the purchasers may continue to make such payment or delivery of the proceeds to the Mortgagor until such time as the purchasers have received notice that the purchasers are directed to make payment or delivery of the proceeds directly to the Mortgagee. Such failure by the Mortgagee to exercise its rights immediately shall not in any way waive the right of the Mortgagee to receive any of the proceeds, or to make any such demand, or to affect any such assignment as to any proceeds not theretofore paid or delivered to the Mortgagor. In this regard, if any of the proceeds are paid or delivered directly to the Mortgagee and then, at the request of the Mortgagee, the proceeds are, for a period or periods of time, paid or delivered to the Mortgagor, the Mortgagee shall nevertheless have the right, effective upon written notice to such purchasers, to require that future proceeds be again paid or delivered directly to it. The Mortgagee shall never be required to send any such notice to all purchasers, and may direct such notice only to those purchasers as it may, in its discretion, desire. It shall never be necessary for the Mortgagee to institute legal proceedings to enforce the assignment of hydrocarbons, proceeds, or other rents, profits, or income contained in this instrument. It shall not be necessary for the Mortgagee to obtain possession of the Mortgaged Property as a prerequisite to the Mortgagee's right to collect or receive any hydrocarbons, other minerals, proceeds, or other rents, profits, or income assigned to

Exhibit G-13

the Mortgagee under this instrument. The Mortgagor and the Mortgagee expressly agree and it is the express intention of the Mortgagor and the Mortgagee that in no event will any reduction in the DIP Obligations be measured by the fair market value of the hydrocarbons, other minerals, proceeds, or other rents, profits, or income assigned to the Mortgagee under this instrument.

6.3. Change of Purchaser. Should any purchaser taking the production from the Mortgaged Property fail to make prompt payment to Mortgagee in accordance with the provisions of Section 6.1, Mortgagee shall have the right (but subject to any contractual rights of such purchaser), at the expense of Mortgagor, to demand a change of connection and to designate another purchaser with whom a new connection may be made, without any liability on the part of Mortgagee in making such selection, so long as ordinary care is used in the making thereof. Promptly upon such demand, Mortgagor shall take commercially reasonable action to effect such change of connection.

6.4. Application of Proceeds. Mortgagor authorizes and empowers Mortgagee to receive, hold, and collect all sums of money paid to Mortgagee in accordance with the provisions of Section 6.1, and to apply the same as hereinafter provided, all without any liability or responsibility on the part of Mortgagee, save and except as to good faith in so receiving and applying such sums. Mortgagee may apply all sums received by Mortgagee pursuant to Section 6.1 to the payment of the Indebtedness, application to be made in such order and in such manner as Mortgagee, in its reasonable discretion, may elect, regardless of whether the application so made shall exceed the payments of principal and interest then due as provided in the Notes, the Credit Agreement or any other DIP Loan Document. After such application has been so made by Mortgagee, the balance of any such sums shall be paid to Mortgagor.

6.5. No Postponement of Installments on Indebtedness. It is understood and agreed that should such payments provided for by Section 6.1 be less than the sum or sums then due on the Indebtedness, such sum or sums then due shall nevertheless be paid by Mortgagor in accordance with the provisions of the Note, the Credit Agreement or any other DIP Loan Document, and neither the assignment made pursuant to Section 6.1 nor any other provisions hereof shall in any manner be construed to affect the terms and provisions of the Note, the Credit Agreement or any other DIP Loan Document. Likewise, neither the assignment made pursuant to Section 6.1 nor any other provisions hereof shall in any manner be construed to affect the Liens, rights, titles, and remedies herein granted securing the Indebtedness or the liability of Mortgagor therefor. The rights under this Article 6 are cumulative of all other rights, remedies, and powers granted under this Deed of Trust and are cumulative of any other security which Mortgagee now holds or may hereafter hold to secure the payment of the Indebtedness.

6.6. Turnover to Mortgagee. Should Mortgagor receive any of the proceeds of any sale of oil, gas, or other minerals produced, saved, or sold from the Mortgaged Property, which under the terms hereof should have been remitted to Mortgagee, Mortgagor will immediately remit same in full to Mortgagee.

6.7. Release of Proceeds Upon Payment of Indebtedness. Upon payment in full of all Indebtedness and the termination of the DIP Obligations, the remainder of such proceeds held by Mortgagee, if any, shall be paid over to Mortgagor upon demand, and a release of the interest

hereby assigned will be made, without recourse or warranty, by Mortgagee to Mortgagor at its request and its expense.

6.8. Duty of Mortgagee. Mortgagee shall not be liable for any failure to collect, or for any failure to exercise diligence in collecting, any funds assigned hereunder. Mortgagee shall be accountable only for funds actually received.

6.9. Power of Attorney to Mortgagee. Mortgagor does hereby designate Mortgagee as the agent of Mortgagor to act in the name, place, and stead of Mortgagor for the purpose of taking any and all actions deemed by Mortgagee necessary for the realization by Mortgagee of the benefits of the assignment of production provided herein, recognizing such agency in favor of Mortgagee to be coupled with the interests of Mortgagee under this Deed of Trust and, thus, irrevocable so long as this Deed of Trust is in force and effect. Notwithstanding anything in this Section 6.9 to the contrary, Mortgagee agrees not to exercise such power of attorney until the occurrence and during the continuation of an Event of Default.

ARTICLE 7 MISCELLANEOUS

7.1. Further Assurances. Upon request of Mortgagee, Mortgagor will promptly correct any defects, errors, or omissions in the execution or acknowledgment of this Deed of Trust or any other DIP Loan Document, and execute, acknowledge, and deliver such other assurances and instruments as shall, in the opinion of Mortgagee, be necessary to fulfill the terms of this Deed of Trust.

7.2. Interest. Any provision in any document that may be executed in connection herewith to the contrary notwithstanding, Lender shall in no event be entitled to receive or collect, nor shall any amounts received hereunder be credited so that Mortgagee shall be paid, as interest a sum greater than that authorized by law. If any possible construction of this Deed of Trust or any other DIP Loan Document seems to indicate any possibility of a different power given to Lender or any authority to ask for, demand, or receive any larger rate of interest, this clause shall override and control, and proper adjustments shall be made accordingly.

7.3. Articles and Sections. This Deed of Trust, for convenience only, has been divided into Articles, Sections, and subsections. The rights, powers, privileges, duties, and other legal relations of Mortgagor, the Trustee, and Mortgagee shall be determined from this Deed of Trust as an entirety and without regard to the aforesaid division into Articles, Sections, and subsections and without regard to headings affixed to such Articles, Sections, or subsections.

7.4. Number and Gender. Whenever the context requires, reference herein made to the single number shall be understood to include the plural, and the plural shall likewise be understood to include the singular. Words denoting sex shall be construed to include the masculine, feminine, and neuter when such construction is appropriate; and specific enumeration shall not exclude the general, but shall be construed as cumulative.

Exhibit G-15

7.5. Rights and Remedies Cumulative. All rights, powers, immunities, remedies, and Liens and other security of Mortgagee existing and to exist hereunder or under any other instruments or at law or in equity and all other or additional security shall be cumulative and not exclusive, each of the other. Mortgagee shall, in addition to the rights and remedies herein expressly provided, be entitled to such other remedies as may now or hereafter exist at law or in equity for securing and collecting the Indebtedness, for enforcing the covenants herein, and for foreclosing the Liens hereof. Resort by Mortgagee to any right or remedy provided for hereunder or at law or in equity shall not prevent concurrent or subsequent resort to the same or any other right or remedy. No security heretofore, herewith, or subsequently taken by Mortgagee shall in any manner impair or affect the security given by this Deed of Trust or any security by endorsement or otherwise presently or previously given; and all security shall be taken, considered, and held as cumulative.

7.6. Parties in Interest. This Deed of Trust shall be binding upon the parties and their respective administrators, legal representatives, successors, and assigns and shall inure to the benefit of Mortgagee and its legal representatives, successors, and assigns. The terms used to designate any of the parties herein shall be deemed to include the administrators, legal representatives, successors, and assigns of such parties. The term "Mortgagee" shall also include any lawful owner, holder, or pledgee of any Indebtedness.

7.7. Supplements. Without in any manner limiting the effect of Section 1.4 or any other provisions of this Deed of Trust as to the binding effect of this Deed of Trust on after-acquired rights of Mortgagor, it is contemplated by the parties hereto that from time to time additional interests and Properties may or will be added to the interests and Properties subject to the Liens, rights, titles, and interests created by this Deed of Trust by means of supplemental instruments identifying this Deed of Trust and describing such interests and Properties to be so added and included. Upon the execution of any such supplemental instrument, the Liens, rights, titles, and interests created herein shall immediately attach to and be effective with respect to any such interests and Properties so described, the same as if such interests and Properties had been specifically described herein, and such interests and Properties being included in the term "Mortgaged Property," as used herein.

7.8. Invalidity. In the event that any one or more of the provisions contained in this Deed of Trust shall for any reason be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Deed of Trust or any other DIP Loan Document.

7.9. Construction. Article, Section, subsection, and Exhibit references herein are to such Articles, Sections, subsections, and Exhibits of this Deed of Trust unless otherwise specified. The words "hereby," "herein," "hereinabove," "hereinafter," "hereinbelow," "hereof," and "hereunder" when used in this Deed of Trust shall refer to this Deed of Trust as a whole and not to any particular Article, Section, subsection, or provision of this Deed of Trust.

7.10. Fixtures, Minerals and Accounts. Without in any manner limiting the generality of any of the foregoing hereof, some portions of the Personal Property described hereinabove are or are to become fixtures on the Lands. In addition, the security interest created hereby under

Exhibit G-16

applicable provisions of the UCC attaches to minerals, including, without limitation, oil and gas, and accounts resulting from the sale thereof, at the wellhead or minehead located on the Lands.

7.11. Financing Statement Filings. This Deed of Trust may be filed as provided in Article 9 of the UCC to assure that the security interests granted by this Deed of Trust are perfected. In this connection, this Deed of Trust may be presented to a filing officer under the UCC to be filed as a Financing Statement covering minerals and fixtures. Further, Mortgagor authorizes Mortgagee to file, at the expense of Mortgagor, at any time and from time to time, any and all financing statements, and any amendments thereto and continuations thereof, in both the real estate records and the office of the Secretary of State of the State of Texas or any other appropriate jurisdiction, pursuant to Article 9 of the UCC, as Mortgagee deems necessary in its sole discretion, in conjunction with this Deed of Trust, and Mortgagor expressly authorizes the filing of such Financing Statements by Mortgagee without need of signature or execution by Mortgagor.

7.12. Addresses. For purposes of filing this Deed of Trust as a financing statement, the addresses for Mortgagor, as the debtor, and Mortgagee, as the secured party, are as set forth hereinabove.

7.13. Counterparts. For the convenience of the parties, this Deed of Trust may be executed in multiple counterparts, each of which for all purposes shall be deemed, and may be enforced from time to time as, a chattel mortgage, real estate mortgage, deed of trust, security agreement, assignment of contracts, or as one or more thereof. For recording purposes, various counterparts have been executed, and there may be attached to each such counterpart an Exhibit A containing only the description of the Mortgaged Property, or portions thereof, which relates to the county or state in which the particular counterpart is to be recorded. A complete, original counterpart of this Deed of Trust with a complete Exhibit A may be obtained from Mortgagee. Each of the counterparts hereof so executed shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

7.14. No Waiver by Mortgagee.
